

# BATTERY-POWERED LIQUID TRANSFER PUMP

# FILL-RITE®

A GORMAN-RUPP COMPANY

**Model Number:**  
**FRBPA**

## NO MORE LIFTING. NO MORE SPILLING. NO MORE HASSLE.

Make refueling simple, clean, and stress-free. The Fill-Rite® Battery-Powered Pump Series is designed to take the strain out of transferring fuel, whether you're topping off a boat, UTV, or lawnmower. No heavy lifting, no awkward pouring, and no messy spills—just smooth, hands-free fueling you can trust. With smart safety features and an easy setup, this portable pump helps you fuel faster and with more confidence wherever you are.
